5,000,000€

6 | 1 | 1080000m²

A 123 hectare olive farm of which approximately 100 hectares are productive olive trees and 23 hectares of scrubland. There 26,000 olive trees, made up of Arbequino: 9,000 olive trees. Hojiblanco: 11,000 olive trees, Other varieties: 250 olive trees. The farm has a main house on two floors, the ground floor has kitchenm dinng room, living room with fireplace, pantry/cellar, bathroom, toilet and a bedroom, The first floor has 5 bedrooms and a bathroom. Outside is a terrrace with porch, pool and landscaped gardens. From the cortijo you enter the olive grove with the trees all having drip irrigation, and along a path adorned with palm trees, you reach the back where there are three covered parking areas, there is a garden area with pool and with superb views of the farm, large front terrace with covered outside dining. The farm is irrigated from a large swamp that is in the high part of the farm and that is filled with two wells and a stream. The olive trees are watered by drip irrigation system, the farm having several wells with water for it, in addition the farm is crossed by the Arroyo de la Vinuela, from which there is a bypass to extract water to the irrigation pond which ha...
