Madrid may be the life giving sustaining heart of Spain but Sevilla - Sevilla she is the soul. This stunning property is only 45 minutes away from Seville where you can smell the oranges in the air and listen to the vibrant flamenco music - PERFECT!! A licensed beautiful 18th century cortijo offering exclusive use set in 5 acres of orange groves with 400 productive orange trees and mature gardens around which guests can enjoy a stroll. As you enter the cortijo, you immediately feel at home. Inside is comfortably furnished, a charming mix of rustic and modern. Needless to say the lovely farmhouse kitchen is fully equipped. It has a wonderful double oven with five gas burners, 2 additional ovens/hobs, 2 dishwashers, 2 large fridge freezers and a microwave, as well as plenty of crockery, cutlery and glassware and coffee-makers. Eleven bedrooms, 6 with en-suite facilities and all with air-conditioning, 2 family shower rooms and additional 2 WC's and washbasins (one inside and one outside around the swimming pool) makes this the ideal property for several families to share or for several generations of the same family to holiday together. The large lounge has central heating, large comfy sofas, a flat screen TV and DVD player. The dining room...
