50000m²

This property is typically Spanish in its design, the kitchen/diner is the focal point of the whole property. There is an open staircase with wine storage underneath and a beamed ceiling. There are 5 good sized bedrooms, two bathrooms, a lounge and storage area for the battery bank and generator for solar power (not included). The property sits on 50,000 m² of olive grove with spectacular views and has complete privacy. There is ample room for a pool. Accessed by good all weather dirt roads. The property has mains water connected, power is by solar, mains electric is not possible, septic tank installed. Situated a short drive from the town of Pozo Alcon in Jaen province and a few minutes from Lake Negratin.
