Reference: JRT163 Hotel Vadillo

345,000€

6 | 8 | 20000m² | 405m²

Situated within metres of the Tiscar Sanctuary, Jaen province this boutique hotel and restaurant is an absolute steal at such an excellent price. The hotel is surrounded by trees, the river provides a large pond area and there's an old water feature and trough as you pull into the ample parking area. The premises are modern yet decorated in a rustic style with beautiful dining area overlooking the river. All the windows can be opened (they are netted) to let the cool breeze in during the Summer months. There are six letting rooms all with en-suite facilities. The hotel sits on 20,000 m2 of land with 110 olive trees. There is a large shaded seating area with bar and BBQ. There is no swimming pool but ample room for one subject to permission. Underneath the bar and restaurant are the public toilets, central heating control room, laundry room and store rooms. Behind the building is a rustic staircase that takes you to the six immaculate letting rooms all with en-suite facilities. The property has oil central heating, mains water and electric, disabled access, air conditioning and is reached by an excellent surfaced road. The property is being sold fully furnished with all fittings and fixtures and as the only hotel...
