This magnificent family home is located on a plot of 12 hectares in the midst of the unspoiled natural surroundings of Casares, offering breath-taking views of Gaucin and the surrounding mountains. The finca, with its beautifully landscaped gardens with ancient olive trees and a spectacular grand beach style infinity swimming pool with waterfall, enjoys absolute privacy, a real haven of peace and tranquillity and a birdwatcher's paradise! The lovely family home was rebuilt and re-designed to the highest specifications 7 years ago by the current owners. The care taken and the attention paid to detail is evident everywhere, from the impressive high beamed wooden ceilings and the interior carved Ronda doors to the beautiful, locally made, stained glass windows in the dining room. The house itself is built in traditional Spanish cortijo style, with electric gates opening to a courtyard featuring an enormous ancient olive tree and leading to the main entrance. The ground floor comprises an entrance hall with a cloak room, an impressive 130m  ranch style kitchen with Clive Christian cabinets, the ultimate in appliances including an electric Aga, an open fireplace and a large comfortable seating area, a spacious formal dining room which easily seats 12 people with gorgeous panoramic views and a large sitting/drawing room with...
