1500m²

An absolutely fantastic cave house with three/four bedrooms in a very scenic spot on the outskirts of the village of Cuevas de Campo. This property has been reformed throughout with love, care and attention and is truly beautiful.

The three bedrooms are light, airy and spacious and the master bathroom is great. The kitchen is handmade and has a country cottage feel and the whole property is packed full of nooks and crannies and storage areas a plenty. Dining/living area with fireplace. There is around 1500 m² of outside space and a number of terraces and seating areas from which to enjoy the peace and quiet of the surrounding countryside. There is an ample car parking and room for a pool. This property would certainly suit artists or writers and is off grids so has virtually no running costs. Solar power connected, Internet is connected and septic tank installed. Access is by a good all-weather dirt road.
