20000m<sup>2</sup>

Beautiful 2 bedroom cottage located in Cuevas del Pino, with 4 acres of land planted with 400 walnut trees of which 160 are in production, as well as fruit trees and vines and some pines. The cottage is on two floors and the entire interior is made of wood. The ground floor has fully furnished kitchen, pantry and cabinets in the stairwell, large living room with beautifully decorated fireplace, bedroom and bathroom. On the first floor is the master bedroom. Outside is a nice front porch and barbecue area. The property has mains electricity, mains water and also a private well. Access is via a good all-weather dirt road. Situated near to Cuevas del Campo in the area of Baza around 130 km from the city of Granada and the airport.
