10000m²

A three bedroom log cabin with views of Lake Negratin situated on a plot of more than one hectare a short drive from the lovely town of Baza in Granada province. The cabin is comprised of full kitchen, living room, three bedrooms, one with en-suite bathroom and another bathroom with bath tub and shower. To the front is a porch and in front of the cave there is a car port. This large cabin situated near Lake Negratín has a plot of more than 1 hectare; the cabin itself is located on a piece of land of about 2000 m². All the services are connected. Stunning scenery and peace and quiet - what more could you want!
