180000m²

170m²

An established olive farm with 18 hectares and 1,300 ecological olive trees in absolute tranquility near to Ronda views of the countryside and mountains. House with 3 bedrooms, 2 bathrooms well-cared for garden with pool, barn and barbecue. There is a 1 km access road to the house which is in perfect condition. When you arrive there is a covered parking area near the property. There is a three bedroom house of 170 m² on two floors. The house is built to a very high standard with wooden beamed ceilings and local floor tiles. It has double cavity walls, fireplace and stove of wood and gas. Security alarm and Internet. On the ground floor, there is an open plan living room with dining area and door leading out to the cobbled back yard. Fully equipped kitchen. A corridor leads to a toilet, bathroom, a double bedroom and a large study. The staircase leads to another large double bedroom at the top with door to a balcony. The bedrooms have large windows and built-in wooden wardrobes. Outside there are two porches, one at the entry area with wood beams and another to the side, oriented to the south and the west. A well-cared garden with palm trees and native aromatic...
