Finca Tijola is located on the outskirts of the pretty village of Cela in Almeria province this is a modern building that as yet hasn't been finished. The total interior measurement is 126 m2 so would make a spacious 3 bedroom property. It is open plan so in a way you can divide the space to suit your requirements. T Services are nearby for connection or you could opt for solar power which with the huge amount of sunshine we have makes a quality system efficient. There's 20,000 m2 of land with mature olive trees in production, there's a drip feed irrigation system with a four hour water supply each month, ample for this amount of land. The property is 3km from the village which offers a handful of bars and shops, a thermal pool open all year round is a great tourist attraction and the village is very well presented. The larger town of Tijola is a five minute drive away where you'll find most amenities including a large Saturday market. The town of Albox is a twenty minute drive and the coast forty five minutes, Almeria airport an hour and half.
