6000m²

170m²

The house is 170 m² built and is situated at the end of a long, tree lined driveway. Comprised of an entrance hall, open plan kitchen/living room with large log burner, 4 spacious bedrooms, 2 bathrooms and a large storage area which can be converted into another bedroom or second sitting room. Set on a 6,000 m² plot there are several terraces, an above ground swimming pool, carport, vegetable garden and an orchard with a variety of fruit trees including almond, olive, apple and plum trees. Situated only 4 km from the town of Colmenar in the Axarquía region of Malaga province. Malaga city and airport are reached in just over half an hour.
