This property is 191 m² built and was renovated approximately 18 years ago but the original building dates back to the 1900's and the owners when renovating did a very good job at keeping the original feel as much as possible.

Enter in to a high walled central courtyard with 2 covered terraces and a grape covered terrace, BBQ area, 8 x 4 pool and the area around the pool has synthetic grass (non-slip, doesn't burn your feet and no need for water!).

Facing the building and starting from the BBQ area is the utility room also housing a WC, pump room and door to the garage(with direct access outside), The property is divided into 3 beautiful units all with original features and wood beams. Unit A is comprised of fully fitted kitchen with range gas cooker, dishwasher, breakfast bar and stairs to bedroom 1 with private roof terrace and en-suite bathroom. The kitchen is open plan to dining area and lounge with wood burner and 2 wooden patio doors to the covered terrace. From the dining area is a door to bedroom 2 and family shower room. From the lounge is bedroom 3. Unit B comprises open plan lounge with wood burner, door to Unit C and door to...
