250m²

A lovely 2 bedroom, 2 bathroom country house in a magical location with 5,000 m² of land with land situated in middle of stunning Natural Park a short drive from Castril, Granada province. At the moment it has 2 double bedrooms, 2 bathrooms and very large living spaces and a very large under build which could be converted in to further accommodation. It has the potential to have 5 bedrooms or would make a great B&B, rural retreat or family home. There are around 5000 m² of mainly flat land, ideal for keeping animals or planting with trees. The property has solar power connected, mains electricity is not possible, septic tank, mains water connected. The Castril River runs adjacent to this property giving it the most stunning backdrop.
