Reference: AU261 The Mediterranean Forest

130,000€

570000m²

A Mediterranean forest where oaks predominate, there are also pines and all kinds aromatic plants and many junipers. An abundance of rabbits, partridge, hares, genet, wild goat, deer and wild boar and a neighbor told us that he thought he saw a lynx recently. The maximum height is 1280 meters and the minimum height of approximately 1,100 meters. Ideal to put wooden huts surrounded by nature and it is possible to purchase 4,7757 m² of almond groves for an additional 50,000 €. Located an equal distance between Oria and Cullar bth Almeria and Granada airports are reached in around one hour.
