The very private location makes this finca very attractive for someone who loves to enjoy tranquility and wildlife in completely natural surroundings. The house consists of modern open living room – dining room – kitchen, bathroom and covered terrace. The bedroom area is situated on the mezzanine floor which allows bed to perch high above living area. The open plan feeling of the room is maintained. The property is set in a 12,000m<sup>2</sup> of flat and some hilly land. There is a small natural swimming pool next to the house. The riverside orchard includes a variety of fruit trees such as Orange, Lemon, Fig etc. There is a parking space for 2 cars.
