120000m²

1200m²

The lovely family home was rebuilt and re-designed to the highest specifications 7 years ago by the current owners. The house itself is built in traditional Spanish cortijo style, with electric gates opening to a courtyard featuring an enormous ancient olive tree and leading to the main entrance. The care taken and the attention paid to detail is evident everywhere, from the impressive high beamed wooden ceilings and the interior carved Ronda doors. To the beautiful locally made stained glass windows in the dining room. Floors tiled to a theme throughout, natural stone effect, The ground floor comprises an entrance hall with a cloak room, an impressive 130m² ranch style kitchen with Clive Christian cabinets, electric Aga with separate AGA style gas oven/ hob, seating area. State-of-the-art and often double appliances (GAGGENAU, SIEMENS, MIELE). ISE Waste Disposal Unit. Walk-in larder. Laundry room with MIELE appliances. Temperature controlled bodega From the kitchen there is a spacious formal dining room which easily seats 12 people with gorgeous panoramic views and a large sitting/drawing room with a fireplace that offers stunning view. In the north wing of the house there are 3 double bedrooms and 2 bathrooms. Everywhere there are large French doors letting in the light and giving you those wonderful...
