Each cave has a living room with fireplace, bathroom, fully equipped kitchen, washing machine, wifi connected, electricity, television, barbeque area and a large terrace. The individual caves are as follows – 1.Cueva Cuadra – living room with fireplace, kitchen, bathroom with shower and two bedrooms. 2.Cueva Lumbre – living room with fireplace, kitchen, bathroom with shower and three bedrooms. 3.Cueva Mina – living/dining room with fireplace, kitchen, bathroom with shower and three bedrooms. In addition to being registered with the Tourist Board, the caves have their own website, are registered in the best national and international portals and have a 9.2 rating out of 10. These three rental caves have all mains services connected and are situated in the beautiful, peaceful village of Castillejar in the province of Granada. They are located in one of the most typical neighbourhoods of Castillejar. Castilléjar is a lovely little unspoilt village with beautiful surrounding scenery - the spectacular badlands, the Jabalcón mountain and Baza and Granada mountain ranges. It has all the usual facilities as well as a market on Saturday mornings. There is a huge open air swimming pool in the adjoining hamlet of Los Olivos (5 mins drive by car) open during the summer months. A great place...
