140000m²

455m²

The ground floor has a guest wing with its own salon, bathroom and bedroom, another bedroom, a very spacious living room with a large open fireplace with doors out to the covered terrace, large fitted kitchen with separate utility area and a music room. On the upper floor is a bedroom, an empty room that could be another bedroom, plus a family bathroom. From the bedroom is a large terrace overlooking the pool and with far reaching mountain views. Across the courtyard in an undeveloped space with another bedroom. The property has mains electricity, well water and a septic tank. The property is set in 140,000 m² of land with lots of open parking spaces. Terraces, infinity pool, a barbecue area and a double garage. Lower down on the land is a stable block of 4 plus a tack room.

If stunning views are what inspires you when looking to buy a property then this is "THE ONE"; located in the hills above Cartama Estacion this house even has partial sea views! The property is 20 minutes from Estacion de Cartama train station and 45 minutes from Malaga airport.
