40000m²

200m²

A large south facing cortijo for reform in a wonderful setting with 40,000 m² of land within walking distance of the San Clemente reservoir as short drive from the town of Huescar, Granada province. The property is 200 m² and could be lived in immediately but does require reform and modernisation throughout. It could have four or five bedrooms depending on how you configure it. It has a large garage/party room and lots of outbuildings and animal pens and it is a good option for those looking to self-sufficient. All mains services are connected.
