3190m²

121m²

The house was built in 2009 and is 121 mt distributed in living room with fireplace, furnished kitchen, 4 bedrooms and 2 bathrooms. From the entrance there is a staircase that allows you to go down to a large diaphanous basement that is still unfinished. Outside is a terrace with views to the mountains and the villages of the area.

The property has excellent access located at the foot of the road, with no lane in a village 3 km from Comares and 30 kms from the coast.
