7000m²

Two fantastic cave houses which have been renovated to a very high standard and are completely private and self-contained, set within a hill with fenced land covering approximately 7,000m² and price to sell quickly at 350,000 euros!!! The principal cave is an original cave beautifully reformed with heights of up to 7m, large windows in all but one room, it is very light and airy which is unusual for a cave house. There is a lounge and dining area and fully fitted kitchen area which was completely renewed just 3 years ago. There are three large double bedrooms, 2 en-suites with wet room showers plus an independent family bathroom & shower. The master bedroom has a handcrafted wooden mezzanine accessible by stairs. Underneath is a walk-in closet with shelves and rails (for hanging clothes) and on top of the mezzanine there is space for a double bed. There is a large covered and glazed porch area which makes a great summer or winter lounge area, which has 2 big doors with mosquito screens so you can open the glass or remove the glass for fresh air. A metal circular staircase leads to a covered terrace above (giving wonderful views of the surrounding countryside, mountains, and herb planting, olive & orange...
