7500m<sup>2</sup>

The property has gated access to a gravelled driveway leading to the house and pool. Accommodation comprises: Grand entrance hall and pretty curvy staircase leading to all floors. Ground floor – modern fitted kitchen with pantry, office with built-in storage, large lounge / diner with open fireplace and doors to the terrace overlooking the pool, shower room and utility. The swimming pool when entered from this side is fenced and gated making it secure from pets or small children. First floor – Master double bedroom with walk in wardrobe and en-suite (which is currently being repaired) and balcony overlooking the pool and superb views. Three further double bedrooms, one with balcony overlooking pool, and family shower room. Lower Level – This floor provides separate living accommodation and can be accessed from a separate pretty entrance area with pebble stone flooring or accessed through the main house. It offers a further four bedrooms, large open plan lounge with log burner / fitted kitchen with bread oven / diner and two modern shower rooms. This beautifully finished property is set on 7,500m<sup>2</sup> of land with 120 olive trees and two warehouses both 150m<sup>2</sup> with electric and water connected and a further large storage room above that could be...
