5400m²

The property comprises of four double bedrooms, two bathrooms, dining room/lounge and a kitchen. There's a basement for storage and a garage. The plot measuring 5,400m² is planted with various fruiting trees (citrus, olives, almonds, grape vines etc) on an irrigation drip feed system fed from a water deposit which could be changed into a swimming pool with a bit of work. The property is a five minute drive from the village of Cela, known for its thermal pool which is free to use all year round. There are a few bars and shops in the village but the small town of Tijola is another five minute drive away. The coast and Almeria airport are 1.20hrs away.
