The house has three fully equipped kitchens and three spacious bedrooms, as well as two modern bathrooms. The house also has several terraces that provide great luminosity to all rooms, making it perfect to enjoy the climate and views of the mountain and the sea. In addition, the property has a beautiful private garden and a covered private pool, making it ideal for spending summer days enjoying the sun and the outdoors. The estate also has a large parking area with capacity for several vehicles, making access and storage easier. On the plot, there is a variety of olive and fruit trees that bring a sense of tranquillity and harmony with nature. The property is located in a quiet and well-located area, making it perfect for those seeking a peaceful and relaxed environment to live in or as a second residence. In summary, this is a dream professional property that offers all the amenities and features that someone may need to enjoy a peaceful life in a natural and peaceful environment.
