498000m²

This single-story house is 490 m² built and offers a rustic and cosy atmosphere, ideal for enjoying the tranquillity and natural beauty of the area. The house consists of a spacious living-dining room with ceiling beams, wooden windows, and a large fireplace, creating a rustic and cosy atmosphere. From the living room, you can access a porch, perfect for enjoying panoramic views of the surroundings. The property also features a spacious fully equipped kitchen, which has another fireplace and a practical pantry. The house has three bedrooms and two bathrooms, all with high ceilings, beams, and wooden windows, providing a unique charm and character to each space. Outside, you will find a large paved area, a private garden with outdoor lighting, and a barbecue area. It also has a well. Additionally, the property has a garage, offering convenience and security for your vehicles. Next to the house, there is a spacious outbuilding that has an additional bathroom. This building also has stables, making it a versatile and functional space that could be adapted to various needs. The location of this country house is excellent, with easy accessibility and 8 minutes away from the town of Riogordo. It is also only 40 minutes away from the coast, allowing you to enjoy...
