This single-story property is situated in a unique enclave. It consists of a living-dining room with a wood-burning stove and a fully equipped independent kitchen. Additionally, the house features three bedrooms and two bathrooms. The bedrooms have radiators, and the bathrooms have infrared heating. The house boasts a spacious covered porch from where you can enjoy breath-taking panoramic views of the surrounding mountains. The property spans 8000m² and has a well-established private garden with fruit trees, offering a multitude of charming corners. The private garden benefits from an automatic irrigation system and solar lighting. Furthermore, there is a swimming pool from which you can appreciate the spectacular natural surroundings. The property also includes a utility cabin, storage room, and covered parking area. Located in a privileged setting, you can enjoy tranquillity, privacy, and convenience, with the main road just 10 minutes away and the beaches of Costa del Sol only 30km away.
