7500m²

350m²

The cortijo is 350 m2 and consists of ground floor - huge kitchen diner with vaulted roof from converted barn, formal dining room, and large sitting room with fireplace. Guest apartment with lounge, bedroom and bathroom.

First floor - three double bedrooms with en-suite, one double bedroom without bathroom. Terrace/Balcony. Yoga studio which also has its own independent entrance. Garage, large garage for storage and parking. Artist studio, with toilet and lots of glass so loads of natural and amazing views from the terrace. The casita is currently used as a workshop but has a kitchen and bathroom already. Huge in-ground swimming pool with large terrace area and outside dining area. The grounds cover 7,500m2 and include a parking area, four ponds and water features, planted mature trees, chicken coups, vegetable garden, various patio areas, a greenhouse made entirely out of recycled windows and materials. There are lots of fruit trees and a number of almonds trees. Has a well for irrigation which can be used for drinking water as well. All mains services are connected and there's some solar power. Heating is via a heat pump system. Situated in Los Alamos, near Chirivel. The pretty village of Chirivel is steeped in history from Roman times....
