40000m²

240m²

The property is 240 m² built and consists of - Double hallway, Sitting room, Dining room, Music room, Art room and kitchen. Five bedrooms, Four bathrooms (one of which is between two bedrooms and is a large Jack and Jill en-suite bathroom). Private Roof terrace. Set within 40,000sq.m of natural landscape with Mediterranean planted gardens and terraces surrounding the house, with olives, almonds, pomegranates, and figs. It's a wonderful area for outdoor pursuits and a haven for birds and wildlife, with many birds choosing to nest within the land successfully. Solar powered (no pylons and no electricity bills). There are eight soft water containers which hold 8,000 litres of water altogether (which lasts around 80 days and costs approx €120). There is a single unused stable and tack room with potential for expansion, currently used for storage. Lots of flat areas for Yurts, log cabins, self-sufficiency gardening. This beautiful property is perfectly situated mid-way between two pretty white villages (5 mins drive away from each) - Taberno and Santopetar, inland Almeria. It's just 35 minutes' drive away from the amazing Mediterranean coast and is secluded but not isolated. Taberno is just 5 mins drive away and is a small peaceful village where it feels like time has stood still...
