Built entirely on one level, the house features a cozy dining room with a fireplace. It boasts 3 spacious bedrooms, as well as 2 bathrooms, one of which is en suite, and an additional practical toilet. The kitchen is independent and fully equipped. Enjoy panoramic views from the terraces surrounding the house, while contemplating the beautiful surrounding landscape. The plot covers 4,800 square meters and offers a variety of terrains, from terraces to flatter areas, as well as 30 fruit trees and 450 avocado plants in full production, along with a vegetable garden to grow your own fresh vegetables. To facilitate the care of your plants, the property features an efficient drip irrigation system, as well as an open well and a borehole to ensure water supply throughout the year. The closed garage with space for 2 cars provides security and convenience, while additional outdoor space allows for comfortable parking of more vehicles. Facing south, this house offers panoramic views of the sea and the countryside, giving you the opportunity to enjoy the natural beauty of the area. This property is the perfect refuge for those looking to live surrounded by nature, without sacrificing the comfort and proximity to all the services and amenities that coastal life offers.
