The cortijo, completed in May 2005, is a modern home but built to reflect the traditional style of a cortijo farmhouse. The design can easily be organised to include a self-contained annex. The accommodation is comprised of large triple aspect kitchen / dining room with fireplace and separate utility cupboard with connections for washing machine and dryer. Large double aspect living room with fireplace and double doors to back garden.

Five double bedrooms, one with en-suite bathroom, and two bathrooms, both with bath, shower cubicle, W.C, bidet and wash-hand basins. There are modern panel heaters in both bathrooms, two bedrooms and the hall. The walled garden front (N) and back(S) contains a variety of shrubs and trees. An attractively paved area surrounds the house and extends into the back garden with pergola on the back terrace and there are many attractive seating areas from which to enjoy the peace and beauty of the surrounding countryside. There is an inner gated courtyard area to the front with an arch fronted, covered terrace. The stable block provides at present two large stables, store room with fireplace, and separate store with large lean-to attached which is big enough for a further stable. There are currently two fenced paddocks (one could be used as...
